25% DISCOUNT OFFERED AT MOPANI IN KNP

Mopani Camp and its satellite Boulders Bush Lodge in the Kruger National Park (KNP) are offering a 25% discount on accommodation from November 1, 2003 to December 15, 2003.

Prices are: an affordable R285 for a bungalow (normally R380), R337 for a cottage (normally R450), R525 for a family cottage (normally R700) and R1 050 for a guest house (normally R1 400).

The discount is valid for people who book on or after October 10, 2003 for the time period of the promotion. It excludes pensioners and those with existing bookings.

Mopani, which is one of the newer camps in the KNP, is situated in the Northern region between Letaba and Shingwedzi and takes its name from the Mopani tree, which is prevalent in that area.
